In fulfilling its charge as established in the by-laws of the Berkeley Division of the Academic Senate, the Committee on Faculty Awards (FAC) carried out the following activities.

**COMMITTEE AWARDS**

**Clark Kerr Award**
The committee selected President Emeritus William G. Bowen to receive the 2010 Clark Kerr Award.

Chancellor Emeritus Charles E. Young, the 2009 Clark Kerr Award recipient, was honored by a distinguished group of friends and colleagues at a dinner held in February at the Faculty Club.

**Berkeley Faculty Service Award**
Professors David Bogy and Christina Maslach are the 2010 recipients of the Berkeley Faculty Service Award.

**EXTERNAL AWARDS**
The committee solicited proposals for the 2010 Mellon Emeritus Fellowship Program. The committee found all three proposals meritorious, and the Chancellor endorsed the nominations. The Foundation recently notified the FAC that one of the proposals from the Berkeley group has been forwarded to the Trustees for final consideration.

Emeritus Professor John Letiche (Economics) was chosen as the Berkeley nominee for the Constantine Panunzio Distinguished Emeriti Award. However, the UCSC and UCSD candidates were selected for this year’s award.

Throughout the year, the FAC staff analyst sends notices to the campus community about various awards and honors to encourage departments to nominate colleagues.

**Other activities**
FAC reviewed the Senate Task Force on Reorganization recommendation that the Faculty Research Lecture committee and FAC be merged. The group outlined its concerns in a letter to the Divisional Council. DIVCO agreed that the two committees had separate and distinct charges, and both committees will remain independent.
