

**APPROVED MINUTES**  
**BERKELEY DIVISIONAL COUNCIL**  
**Monday, April 29, 2019 – 12:00 – 2:00 PM**  
**Academic Senate Conference Room, 310 Stephens Hall**

Divisional Council (DIVCO) met on Monday, April 29, 2019, in the Academic Senate Conference Room in 310 Stephens Hall. Division Chair Barbara Spackman presided. A quorum was present as shown on the attached attendance chart. Undergraduate Council (UGC) Chair Jonah Levy was absent, represented by UGC Vice Chair Juana Maria Rodriguez. Professor Kris Gutierrez, a member of the Committee on Budget and Interdepartmental Relations (BIR), attended on behalf of BIR Chair Raka Ray. Committee on Faculty Welfare Co-Chair Kenneth Polse attended on behalf of FWEL Co-chair Terrence Hendershott. Graduate Council Vice Chair Elena Conis was invited to present Item VI.E.

The meeting commenced with announcements until quorum was attained. Division Chair Spackman requested that the last item, Item VI.F., be postponed to the next meeting due to time constraints. (As it turned out there was time to address the item during the meeting.) The addition of a new item on retiree health benefits was also approved (Item VI.G).

Division Chair Spackman requested the addition of a sentence to put the admissions item (in Item III, Announcements) in context.

**ACTION:** The minutes were approved as revised.

**IV. UNFINISHED BUSINESS**

None

**V. NEW BUSINESS**

**A. Proposed amendments to Senate Regulation 636.E**

*Enclosures 3a – 3e*

The proposed amendments address how students can satisfy the Entry Level Writing Requirement, allowing exceptions for those who took courses at other institutions during leaves of absence for non-academic reasons. The proposal was supported by the Committee on Courses of Instruction (COCI) and the Committee on Rules and Elections, with a recommendation to better define some of the key terms, such as ‘approved leave of absence’.

**ACTION:** Divisional Council endorsed the proposed amendments and authorized Division Chair Spackman to forward comments to Academic Council.

**B. Use of contributions to diversity, equity, and inclusion (DEI) statements for academic positions at the University of California**

*Enclosures 4a – 4b and Handout A*

Divisional Council members supported the use of DEI statements to incentivize and promote these values in academic life, although some members expressed discomfort that DEI statements could be superficial or objectify students for personal advancement. It was recommended that DEI statements not be used as the sole criteria in faculty hiring.

**ACTION:** BIR was charged to develop a rubric for evaluating DEI statements, allowing for the wide range of ways in which diversity and inclusion may be supported across disciplines.

**ACTION:** Divisional Council authorized Division Chair Spackman to forward comments to the vice provost for the faculty.

**C. Proposed New Academic Personnel Manual (APM), Section 011, Academic Freedom, Protection of Professional Standards, and Responsibilities of Non-Faculty Academic Appointees (APM- 011)**

*Enclosures 5a – 5d*

Division Chair Spackman stated the purpose of the proposed new APM was to extend academic freedom to non-faculty academic appointees. The committees on Academic Freedom and Library supported the proposed new policy.

**ACTION:** Divisional Council authorized Division Chair Spackman to forward its endorsement to Academic Council.

**D. Committee on Academic Planning and Resource Allocation (CAPRA) comments on the proposed Upper Hearst project**

*Enclosure 6*

CAPRA Chair Jenna Johnson-Hanks presented CAPRA's detailed analysis and concerns about the Upper Hearst project. She also provided a summary of contributing problems with Berkeley's campus capital planning process that CAPRA has noted over many years. She noted that private donor funding has become a prime driver for new projects rather than strategic planning. The Senate is still not brought into the capital planning process until an advanced stage of development; the Senate must be included much earlier, even before working with developers. Council asked for some revisions to the CAPRA letter before posting on the Senate website.

**ACTION:** Divisional Council approved the letter, as revised, for public dissemination.

**E. A Vision for graduate education at Berkeley**

*Enclosure 7*

Graduate Council (GC) Vice Chair Elena Conis led a GC subcommittee that has developed a vision for graduate education at Berkeley having three guiding principles: support to innovate, train to lead, and create the conditions that enable graduate students to thrive. It was noted that this effort parallels last year's strategic planning focus on undergraduate education. Also, the timing of this effort is good with a new graduate dean transitioning in this summer.

Council members made several comments and suggestions in support of the vision:

- Graduate student stipends must be competitive to attract and keep the best.
- There should be a greater emphasis on research in the document.
- Graduate students should be informed of a wide range of career opportunities, not limited to academia.
- It was suggested that the Regents, undergraduate students, and the Office of University Development and Alumni Relations could benefit from the vision document. Stories of graduate students told through media such as podcasts or videos could be used to engage and inspire audiences.

Council believed that recommendations for realizing these principles would be very helpful. How the vision will be implemented will vary among the diverse units and disciplines on campus.

**ACTION:** Divisional Council authorized Chair Spackman to forward the graduate vision document to the incoming graduate dean, when complete.

**F. Guidelines for conducting Senate business electronically in the current regulatory and technological environment, 2004, revised 2011, 2019**

*Enclosure 8*

The guidelines were updated to reflect new practices with videoconferencing and updated technologies.

**ACTION:** Divisional Council approved the revised guidelines.

**G. Update on retiree health benefits**

Ken Polse, co-chair of the Committee on Faculty Welfare (FWEL), provided background on efforts to change retiree health benefits. The Retiree Health Benefits Working Group is being converted to an advisory group, and the administration agreed to consult with the Senate before making any changes. However, FWEL is very concerned there are already changes in progress to presumably shrink retiree health benefits as soon as 2019, with three bids already under consideration.

FWEL strenuously objects to the speed of the process and that the actual proposal has still not been made available for review to the Senate. Council was in agreement with FWEL.

**ACTION:** FWEL was charged to prepare a statement for DIVCO's approval (by email), for submission to the University Committee on Faculty Welfare by its next meeting on May 10.
