**C. Discussion/action:** UC San Francisco (UCSF) Memorial Vote

Vice Chair Stacey presented an informational slide deck on the proposed Memorials from the San Francisco Division created by Chair Nuru-Jeter outlining the Memorials, relevant arguments, and overall timeline of the Memorial process. DIVCO members engaged in a discussion covering points presented by the commenting committees. After discussion, a vote was held on each Memorial. Both Memorials were opposed.

DIVCO continued to discuss several concerns which included, among other things, inequities experienced by various groups of faculty (i.e., Health Sciences Clinical, Adjuncts, Lecturers, and Cooperative Extension Specialists) such as exclusion from decision-making from and providing a voice on matters that impact their welfare as Berkeley faculty. A related question was posed as to whether there is the potential for improved use of the in-residence faculty series or other policies that may better support these faculty groups. DIVCO members contemplated creating one or more ad hoc committees with representation from various constituencies to address these issues.

**ACTION:** DIVCO authorized Chair Nuru-Jeter to draft a letter forwarding the vote results to the Chair of the Academic Council.
