**X. New Business**

**A. Resolution concerning funding of the Library**

James Vernon (History) will introduce the following resolution:

“In order to protect the quality of the university’s research and teaching mission, the Academic Senate urges the administration to restore support for the library in line with the commitment made by campus in response to the 2013 Report of the Commission on the Future of the Library. This would amount to a permanent restoration of the annual funding level in 2014/5 which, accounting for inflation, would be \$62m, \$17.5m more than the library currently receives.”
